Why FinSkillz by Tharun's Brainery?

Expert faculty: Learn from knowledgeable Qualified and industry professionals.

Train in simulations: Practice real-world scenarios, not just theory because experience matters.

Personal mentoring: Get one-on-one guidance to help you grow, stay on track, and aim higher

Comprehensive study & practice resources: Everything you need including notes, tools, and exercises all in one place.

A conducive environment to try, test, fail, take feedback, and make a comeback: Mess up, learn, and come back stronger and that's how real growth happens here

Access to audit firms, MSME's and corporates: we connect you directly to the recruiters to get placed in desired employment.

What will you get?

01 A comprehensive assessment of your skills: Know exactly where you stand and what you need to level up.

02 A prestigious certificate: Show off your achievement with a certificate that means something.

03 A reference letter from Tharun's Brainery Pvt Ltd: Get a solid recommendation to boost your Articleship Placements in reputed firms.

04 Exposure to real world applications and problems: Work on practical tasks that prepare you for real CA challenges

05 Finally, your transformation into a professional: Walk in as a student, walk out thinking and acting like a pro

Our Mentor Profile:

Tharun Raj

CEO & Founder - Tharun's Brainery

Tharun Raj CA, CMA, is a nationally acclaimed faculty in Indirect Taxation (GST & Customs) for CA and CMA students.

He is the Founder & CEO of Tharun's Brainery Pvt Ltd, a premier academy for commerce education, and serves as Director of ProtaxTick Solutions, a consulting and compliance firm. A proud All India Rank 1 holder in the CMA exam and university topper in B.Com from SV University, Tirupati, Tharun embodies academic excellence. Over the past 18 years, he has mentored more than 30,000 students across India, guiding them towards success in their professional exams. He is also the bestselling author of widely used resource books for CA and CMA Inter and Final students. Tharun Raj's journey continues to inspire thousands, blending knowledge, passion, and leadership in the field of commerce education.

Surya Manoharan

CEO - Finskillz

Surya Manoharan, CA, CMA, CS, LLB, is a passionate career mentor and strategic consultant, inspiring finance professionals through innovation and purpose. As Co-Founder and Head of FinSkillz at Tharun's Brainery, he leads a mission-driven initiative focused on empowering accounting and finance talent with future-ready skills. A partner at ProTaxTick Solutions, he also provides expert guidance in consulting and compliance. Remarkably, Surya qualified as a CA, CMA, and CS by the age of 22 and began his career with Barclays Investment Bank. He now trains professionals in Excel, Power BI, No-Code Automation, Python, and Generative AI to bridge the gap between finance and technology. Deeply inspired by Advaita philosophy, he is keen on developing frameworks that integrate ancient wisdom into modern leadership, strategy, and workplace transformation.

Sudarsan Yedunath

Sudarsan Yedunath CA, is a passionate Chartered Accountant and teacher with a rare blend of experience in auditing, business consulting, and strategic marketing. During his articleship, he gained hands-on exposure to diverse audits, building strong analytical and problem-solving skills early on. After qualifying, he led branding and marketing initiatives at a reputed firm, working with startups and established businesses to craft growth strategies—giving him unique insights into the practical side of audit. As a faculty for Audit, he is celebrated for his conceptual clarity, use of real-life examples, and smart memory techniques. His structured teaching aligns with ICAI exam patterns and balances deep understanding with exam-scoring strategies. CA Inter and Final students find his sessions practical, engaging, and confidence-boosting for mastering Audit.

Pavithra Doss

Ms. Pavithra is an experienced Income Tax Practitioner with over a decade of practice at CA PNB Murugadoss, Virudhunagar, specializing in tax filings and financial compliance. She is a Zoho Books Certified Trainer and a MSME Certified GST Practitioner, equipping professionals and businesses with practical financial tools and knowledge. Her commitment to continuous learning and leadership is reflected in her active role in Toastmasters International, where she served as Select Distinguished Area Director for Area H2, District 120. As President of the Virudhunagar Toastmasters Club (2022–23), she led the club to achieve President's Distinguished Club status. She also made her mark by chairing a 24-hour Speech Marathon, recognized by the India Book of Records in 2022. Ms. Pavithra's journey is a blend of technical expertise, leadership excellence, and an inspiring dedication to personal and professional growth.

Prateek Bhadani

Prateek Bhadani CA, is a Fellow Chartered Accountant with over six years of professional experience, running a successful practice in Coimbatore specializing in Income Tax, GST compliance, audit, and litigation. He holds a bachelor's degree in commerce with a major in Accounting and Finance and is deeply passionate about teaching and mentoring aspiring CAs. With six years of teaching experience, he has guided thousands of students in mastering Direct Tax with clarity and confidence. His classes are known for conceptual depth, real-life examples, and seamless integration of provisions to enhance understanding. He uses charts, memory aids, and practical scenarios to make learning engaging, while his summary notes and revision lectures help students score better in exams

Thofik Tufel

Thofik Tufel CA, is a dynamic and passionate Chartered Accountant, serving as a Partner at a multi-branch Category I CA firm with expertise in finance, management, and corporate advisory. As a Finance Faculty, he combines academic depth with real-world application, making complex financial concepts easy to grasp and apply. He is a Certified Financial Modeller and currently works as a Finance Consultant for a listed company, providing strategic insights on financial operations and reporting. His strong professional foundation is further highlighted by his presentations of technical papers at national-level ICAI conferences. Known for his engaging teaching style, CA Thofik focuses on building analytical thinking, professional ethics, and practical skills among his students.

Ramajayam

Mr. Ramajayam is a Chartered Accountant and data analytics specialist based in Chennai, leading his firm, M/s Ramajayam and Associates. He is known for seamlessly integrating finance, technology, and automation to modernize accounting, taxation, and audit processes. A winner of the Hackathon conducted by the AI Committee of ICAI, he brings innovation and practical expertise to the profession. He also serves as a visiting faculty and committee invitee at ICAI, contributing to thought leadership in emerging technologies. Certified in DISA, Power BI, and Excel Automation, he develops fintech tools tailored to the needs of finance professionals. His work in customizing ERP systems reflects his commitment to making finance smarter, faster, and future ready.

Priya Kannan

Priya Kannan is a seasoned professional with over 22 years of rich, multifaceted experience, seamlessly blending expertise in corporate law with impactful leadership in the nonprofit sector. A Fellow Member of the Institute of Company Secretaries of India (ICSI), she has been a practicing Company Secretary since 2013, specializing in regulatory compliance, governance advisory, and secretarial audits. Her journey also includes 12 years of dedicated service in administration, accounts, and secretarial roles at a leading Chennai-based NGO with a national presence. Deeply committed to nurturing future professionals, Priya is a sought-after faculty and guest speaker, delivering lectures on Company Law, Securities Law, and Secretarial Audit across esteemed coaching institutes and professional forums like ICSI and ICAI. Her passion for knowledge-sharing and mentoring reflects her belief in continuous learning and professional excellence. Complementing her corporate expertise, she also embraces holistic wellness through the practice of Pranic Healing. With a rare blend of technical mastery, social commitment, and inner balance, Priya Kannan exemplifies purpose-driven leadership.
